

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is WRONG, WRONG, WRONG.

It is a clear example of the dangers of media consolidation. It is a disgusting example of how our democracy is being bought and sold by dishonorable power-hungry corporations and politicians.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them.

Their actions need to be stopped. It is an insult to our democracy to let this sort of thing continue. They should lose their licenses for this. They need to be stopped. It is simply wrong to allow this to happen. What happened to good old-fashioned values of fairness and decency?

We cannot allow the wealthy, powerful minority continue to have the power to manipulate our system of governance.
